Description:

Fongwei will help you improve handling value, edge, and color in painting portraits and figures. He will stress how to achieve specific painting effects by properly applying paints and medium. He will introduce his painting concepts to establish a general framework to guide the entire painting process.

30 to 60 minutes lectures and 2 to 3 hours demonstrations will be done the first two mornings, followed by students' practicing concepts taught. Group or one-on-one critique will be provided as well during the workshop.
